Dear ANMP Investor we are providing you the following information in order to keep you advised as to the activities occurring in the lawsuits and settlements involved in the ANMP Fraud Case in the US District Court.

It has come to our attention that **LARRY DUNNING, BOB REHM, AND ALL OF THE OTHER PARTICIPANTS INVOLVED WITH THE ANMP SCHEME** have reached a **Plea Bargain with the US District Attorneys Office**. We have posted a copy of the information on our website (www.anmpinvestors.com/documents.html) in an effort to keep you informed. **The Plea Bargain Hearing will be held September 29, 2010 at 1:30 PM.**

Basically it says that Larry Dunning will plead guilty to one count of Mail Fraud and will receive a sentence of 24 months or probation/supervised release. He also would have to make restitution in the amount of \$2,889,492.77, which we will probably never receive as he will claim he is broke. Dunning is also claiming that he is in poor health.

Please read the information we have provided to you and if you feel there is no justice, we suggest that you write a letter in your own words and handwriting to the presiding Judge:

**Honorable Mary H. Murguia
United States District Court
District of Arizona
401 West Washington St
Suite #523 SPC 53
Phoenix, Arizona 85003**

We recommend that you tell your personal story outlining what has happened to you since investing in ANMP. Use examples of the hardships you have gone through since we have been in this financial mess and where you are now financially. Hopefully this will help to get an improvement in the justice that is handed out to the perpetrators of the scheme. Send your letters ASAP to the Judge.

We would recommend that you address the following issues in your letter:

1. The issue of Larry Dunning getting such a light sentence after committing fraud in the amount of \$26 plus million with at least 100 different investments.

2. The issue of his age compared to yours.
3. The issue of his health. We might want to ask to see a doctor's report outlining the status of his health.
4. **It sounds like he is going to get probation or supervised release. Does this seem like justice to you?**
5. Please express your thoughts as to how he should be sentenced.
6. Instead of facing his victims here in Phoenix, why should he be allowed to report in Florida?
7. Why he is not being required to place in escrow the \$2,889,492.77, before he is allowed to enter into this plea bargain?
8. Why isn't his previous felony conviction being taken into consideration?

This will be the last time you have any chance to express your opinion on how the participants in the Ponzi scheme are to be treated or allowed to get off with minimal sentences.

Bob Rehm has entered into an agreement that will give him a maximum of three years in prison or Supervised Release for a period on one year. There is also a maximum fine that could be imposed of \$250,000.00.

We are providing this information to you so you will be aware of the travesty of justice that is occurring in this case. It is up to you to decide what you would like to see happen to the people that stole your hard earned money.

Write the Judge if you want to see justice, it is up to you. Plan to attend the meeting if possible. If you decide to send a letter to the judge please send us a copy at the above address **4538 East Jude Lane Gilbert, Arizona 85298**, so we will be able to represent you at the hearing. **Please write them soon as time is short.**

The total plea bargain is available on our website for your review.
